INSTRUCTOR

Scott DeBoer RN, MSN, CPEN, CEN, CCRN, CFRN, is an internationally recognized pediatric emergency nurse expert. Scott has been presenting to thousands of nurses around the world for nearly 25 years. In addition to his extensive training in emergency, critical care, and flight nursing. Scott has co-authored over 100 medical articles for nurses, paramedics, and respiratory therapists. Scott also wrote the very first CPEN Review book in 2010, and has since updated his CPEN book, "Putting It All Together", into its now 3rd edition that includes over 1000 emergency review questions. Scott created this 1-day, highly interactive emergency and critical care review seminar for both intermediate and advances nurses alike. Often called the "Jim Carrey" of the nursing world, Scott's use of humor and personal experiences will have attendees laughing as they learn.

Credit Hours

Certificates will be distributed with 8.0 contact hours at the end of the seminar. Credits have been approved through the State of California Board of Nursing, CEP13532. Credits have been approved for respiratory therapists by the AARC. This activity is also approved for 8.0 hours for paramedics by the State of Illinois Department of EMS.

Refunds and Substitutions

A refund may be issued up to 1 week before a seminar. After that time, if you are unable to attend the seminar, you may switch to a different location if available, or send a replacement at no additional charge. *Refunds will NOT be issued for NO SHOWS.

AGENDA

This one-day, fast-paced emergency and critical care review seminar is for emergency and critical care nurses who provide urgent and emergent nursing care to pediatric patients and their families. This review program is designed to give the participant easy ways to remember important tips & tricks pertaining to pediatric emergency care. Any nurse or RT that wants to be more fully prepared for pediatric emergencies should attend this 1-day review program. The instructor, Scott DeBoer, has entertaining and helpful videos, real-life case studies, and a unique game show style review session that is sure to leave attendees feeling more confident in their pediatric skills.

***Also makes an excellent review for emergency nurses wanting to take and PASS the Certified Pediatric Emergency Nurse Exam!**
