

Indiana Emergency Nurses Association

Our Mission: To influence excellence in emergency nursing and emergency care through integration of leadership, education, advocacy, mentoring, and collaboration.

With organized Chapters throughout the State, Indiana ENA works collaboratively to support the bedside nurses and staff of the Emergency Department.

We support grass roots advocacy for issues impacting our nurses at the state and national level. Trauma and injury prevention, forensic care, and APRN practice are a few of the areas supported for the ED nursing workforce.

2024 legislative areas of focus include:

- ◆ Workplace Violence Prevention for Healthcare Workers
- ◆ ED Mental Health Boarding Crisis
- ◆ Stop the Bleed Training Programs
